INSTRUCTIONS FOR AND ACCURATE ESTIMATE

1

Take 2 pictures of your kitchen like the following example.

2

Measure the total length of the window over the sink area.

3

Measure the total length from wall corner to the end of the current cabinets

4

If you already have an estimate, and the estimate includes a blue print, please send it over as well.

6

Answer this 2 simple questions

1- Do you want to keep the current layout?

2- Is there a desired layout that you want in particular?
